

Application No. 09/397,008  
Amendment dated October 16, 2007  
After Allowance Under 37 C.F.R. 1.312

Docket No.: 21736-00012-US

### **REMARKS**

This Amendment under 37 C.F.R. 1.312 is provided following the Notice of Allowance of August 20, 2007. Applicant notes that the accompanying Notice of Allowability identified the allowed claims as "44, 46, 59, 61 and 160-173" when in fact, in addition to those claims, the Notice of Allowability should have also indicated that claims 26-30, 43, 45, 47-55, 58-60, 113-115, 126-133, 139-141 and 152-159 were also allowed. The Notice of Allowability also included an Examiner's Amendment with respect to claims 44 and 59. Applicant has shown those claims as amended in this Amendment and, in addition, has also made a similar Amendment in claims 60, 61 and 153. In addition, this Amendment shows an Amendment to claims 113-115, 127, 160 and 163 in the preamble of the specified claims reciting that the method is "computer-implemented".

### **REASONS FOR ALLOWANCE**

Applicant has reviewed the Reasons for Allowance and agrees that the subject matter specified in the Examiner's Reasons for Allowance, taken together with other recitations in the claims, clearly distinguish from the cited prior art.

Applicant submits that this Amendment complies in all respects with 37 C.F.R. 1.312 in that the Amendment does not affect the scope of the claims.
